MANITOBA MEANS BUSINESS

Manitoba industry is now at the highest peak in its history... production is proceeding at above normal levels... business in Manitoba is expanding rapidly... construction is at peak level.

Manitoba's tourist industry is also expanding. More and more accommodation is being constructed to take care of an ever-increasing number of tourists.

The Department of Industry and Commerce is fully equipped to supply complete information on industrial and commercial Manitoba.

DEPARTMENT of INDUSTRY and COMMERCE

Legislative Building, Winnipeg

HON. J. S. McDIARMID, Minister R. E. GROSE, Director

cover Talmud Torah held its classes in the first building occupied by the Schara Tradeck. After the synagogue on Hestley Street was built the old building was moved there with a branch at the Community Centre for those who lived far away.

pupils and those who had private teachers. In the early forties the Talmud Torah bought a house near the community centre and classes were held there until two years ago when the new up-to-date school was built.

for the B'nai Brith lodges, chapters and youth groups, and a variety of other organizations. The Community Council which burned the mortgage on the Centre 7 years ago now employs an executive director from Toronto namely Lou Zimmerman.

tion for each period since its inception last year. The city Teen Towns have their Jewish branch in the community centre auditorium and a room in the basement has been completely redecorated and furnished by the youth themselves as a lounge where they can meet irrespective of organizational affiliations.
